Marshall Electronics

Model No. V-LCD-TB

Camera-Top Tally Box

■ **Unpacking**

Carefully unpack the V-LCD-TB and ensure that the following items are included:

- V-LCD-TB Tally Box
- Mini USB to Mini USB cable
- Tripod Mount Brackets with screws
- Hot Shoe Mount

Inspect the unit for any physical damage that may have occurred during shipping. Should there be any damage, immediately call Marshall Electronics Customer Service at (800) 800-6608. If you are not located within the continental United States, call +1 (310) 333-0606.
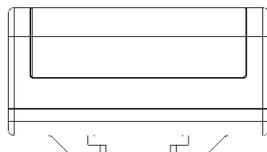

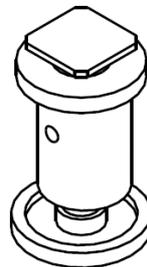

■ **Installation**

*Use ONLY the screws supplied to avoid damaging the monitor's internal components*

Attach the Tripod Mount Brackets with the supplied screws to your monitor.

Attach the Hot Shoe Mount to the Tripod Mount Bracket.

Attach the V-LCD-TB to the monitor by sliding the Hot Shoe cavity into the Hot Shoe Mount.

Features

❶ **Tally LEDs**
The Tallys LEDs come in Yellow, Red and Green colors. The LEDs function through contact closure of the RJ45 connector on the V-LCD-TB. Use the table below to illuminate each of the colors:

Pin	Function
1	Yellow
2	Red
3	Green
4	Rear Tally
5	N/C
6	N/C
7	N/C
8	Ground

❷ **USB Mini B to USB Mini B Cable**
The V-LCD-TB is powered through a USB Mini B to USB Mini B cable. This cable should be connected to the Service Connector of the monitor.

❸ **V-LCD-TB Power Connector**
Use this port to power the V-LCD-TB. Using the cable **USB Mini B – USB Mini B**, connect this Power Connector to the Service Connector on the accompanying monitor.

❹ **Talent Tally**
The Talent Tally light is a highly visible Red LED light for the talent side of the camera setup. Use this along with the **Rear Tally Control** to set the light to the desired brightness.

❺ **Rear Tally Control**
The Talent Tally control switch allows for 4 different levels of brightness, Low, Medium and High and OFF.

❻ **RJ45 Tally Control**
Use the TALLY LEDs pinout to control the 3 front tally lights and 1 rear tally light via a standard RJ45 Ethernet connector port.

Warranty

Marshall Electronics warranties to the first consumer that this **V-LCD-TB** will, under normal use, be free from defects in workmanship and materials, when received in its original container, for a period of one year from the purchase date. This warranty is extended to the first consumer only, and proof of purchase is necessary to honor the warranty. If there is no proof of purchase provided with a warranty claim, Marshall Electronics reserves the right not to honor the warranty set forth above. Therefore, labor and parts may be charged to the consumer. This warranty does not apply to the product exterior or cosmetics. Misuse, abnormal handling, alterations or modifications in design or construction void this warranty. No sales personnel of the seller or any other person is authorized to make any warranties other than those described above, or to extend the duration of any warranties on behalf of Marshall Electronics, beyond the time period described above. Due to constant effort to improve products and product features, specifications may change without notice.
